

COPIES OF TESTIMONIALS SENT TO
LIEUT.-COLONEL MAN.

ROYAL MILITARY COLLEGE,

26th October, 1861.

MY DEAR COLONEL,

Understanding that you are a Candidate for the vacant
Governorship of Whitecross Street Prison, I have great pleasure in
bearing my testimony to the exemplary manner in which you performed
the duties of Captain of a Company of Gentlemen Cadets; and, from
what I then saw of you, I may venture to say, that you are well
qualified for the office you are anxious to obtain.

So far as good temper and sobriety are concerned, they are both
marked features in your character. Wishing you success,

Believe me,

DEAR COLONEL,

Yours faithfully,

(Signed)

HARRY D. JONES,

Lieut.-General.

Colonel

25th October, 1861.

MY DEAR MAN,

In reply to your note received this day, I have much pleasure in stating that, during the four years you commanded a Company of Gentlemen Cadets at this establishment, whilst I held my present appointment of Lieutenant-Governor, you carried on the difficult duties that devolved upon you with great zeal and sound discretion, and so much to my satisfaction, that I was truly sorry to lose you.

Believe me,

Yours ever faithfully,

(Signed) ROCHFORD SCOTT,

Col. & Lieut.-Governor.

I HAVE known Lieut.-Colonel GARNET MAN since the year 1832, and we served together for several years in the 54th Regiment, until he obtained a situation in the Sandhurst College. From my intimate acquaintance with him, I can most unhesitatingly recommend him as a fit and competent person to take charge of a jail or other similar establishment, from his constant application and attention to his duties in the various capacities he has already held, with credit to himself, and the approbation of his superiors.

(Signed) WM. YORKE MOORE,
Major-General.

From Colonel Sir Duncan MacDougall.

MY DEAR COLONEL,

If I had any acquaintance with the Lord Mayor or Aldermen, it would have afforded me a pleasure and satisfaction the most sincere, on *public* as well as on private grounds, to have represented to them how fortunate they would be to secure your services as the Governor of Whitecross Prison.

Should I see any opportunity of being of use in the matter, be assured I shall not fail to avail myself of it.

Believe me,

Very truly yours,

(Signed) D. MACDOUGALL.
